To all customers

Berlin, 19.02.2019

Urgent security information:
Medical product safety information
Reference: R-2019-1

Affected products: GRP Handles 429-77015(N), 429-77020(N), 429-77030(N)

Dear customer/dealer,

With this letter we would like to inform you that the MGB Endoskopische Geräte GmbH Berlin initiates an unsolicited recall of the GRP handles with and without ratchet due to a change of performance.

This recall applies to all products from the period 01/2008 to 01/2019.

GRP handles with HF-connector REF: 429-77015(N) LOT: AE...AQ1
GRP handles with HF-connector and ratchet REF: 429-77020(N) LOT: AE...AQ1
GRP handles with HF-connector and ratchet REF: 429-77030(N) LOT: AE...AQ1

1 Encoded monthly: 1st letter: month (A: January, B: February,... M: December)
2nd letter: year (E: 2008, F: 2009,... Q: 2019)

This corrective action is carried out with the knowledge of the competent supervisory authorities.

Table with 2 columns: Health risk, Actions. Health risk: Low risk of electric shock and possible burns of the surgeon. Actions: 1. Check your inventory and immediately lock affected products. Instruct all users (surgeons, customers) to block the product. 2. Send the completed return form by mail, fax or e-mail to MGB. 3. Return the blocked products to MGB. 4. The return form must also be completed and returned if you no longer have a product in stock, as we must document this information for our records. 5. Please ensure that this safety information is passed on within your organization to all persons who need to know about it. 6. To ensure the effectiveness of the action, keep this information and the resulting action in mind until the recall is completed.
